6200 SERIES

Surface mount
videophone in a
satin white finish.

The 6200 series colour videophone is a surface mount videophone incorporating a 3.5" Hi-Res full colour active matrix LCD screen in a satin white finish.

An intelligent Videophone using 3.5" full colour active matrix LCD monitor for VX2300. Including 4 buttons "service", "privacy/bus relay activation", "door- open/intercommunicating call" and "camera recall" plus 3 LED's for visual indication of all functions.

Adjustments & programmable options: call tone volume on 3 levels (low, medium, high), picture hue, brightness and contrast, call tone melody, number of rings, privacy duration and address. Also includes a local bell function.

Up to 8 direct intercommunicating buttons.

www.videx.it

The 6200 series surface mount videophone with a 3.5" Hi-Res full colour active matrix LCD screen is designed primarily for low high-rise private developments and individual houses where an attractive low cost functional videophone is desirable.

Accessories include a desk kit for an easy and practical functional alternative to a wall mount solution.

Key Features include:

- Surface mount videophone in satin white finish.
- 3.5" Hi-Res full colour active matrix LCD TFT display.
- Timed privacy function and door open with LED indication.
- Adjustable call tone, hue and brightness controls.
- Programmable number of rings and melody options.
- Available for VX2300 digital systems.
- Direct intercommunicating buttons.
